CORRIGENDUM

Sub:Limited tender Enquiry for supply of RF Power Meter-Reg

Ref:This office Enquiry letter even No. Dated 29-06-2011

Dear Sirs,

With reference to the above,the frequency range of RF Power Meter given in the specifications may be read as '**10MHZ to 7GHz**' in stead of '**10Hz to 7GHz**'. The other specefications,terms & conditions remain the same.
